

THE STAR TREATMENT

Going for an interview?

The STAR technique helps you give great answers to competency-based questions. The four-step process highlights examples from your working life that showcase your skills and star quality.

YOUR S.T.A.R. STORY

S is for Situation

*Start by setting the scene to your work example.
To fill a backstory, ask yourself:*

- ★ *What was the project and why were you doing it?*
- ★ *Who was working on it?*
- ★ *When and where did it take place?*
